

Pieter-Jan Alberts
BTech (QS) PrQS PMAQS

Current Position
Member of APT Quantity Surveyors CC
pj@aptqs.co.za

INTRODUCTION

Pieter-Jan was employed by Davis Langdon (then Farrow Laing & Partners) in 1999 as a first year student. He studied at the Cape Technikon under bursary from Davis Langdon and qualified as a Quantity Surveyor-in-training in 2002. He registered as a professional quantity surveyor in 2007. He was promoted to associate in 2007, Pieter-Jan has worked for a broad range of public and private sector clients in South Africa.

SPECIALISATIONS

His project expertise includes feasibility studies, contract documentation, cost planning, procurement and cost management of major building projects in South Africa.

His market sector experience is varied and includes offices, retail, public facilities and industrial projects. He currently specialises in commercial feasibility studies with a keen interest in retail & commercial developments.
