

CURRICULUM VITAE

Samier Booley
BTech (QS) PrQS PMAQS

Current Position
Member of APT Quantity Surveyors CC
samier@aptqs.co.za

INTRODUCTION

Samier was employed by Davis Langdon (then Farrow Laing & Partners) in 1997 as a first year student. He studied at the Cape Technikon under bursary from Davis Langdon and qualified as a Quantity Surveyor-in-training in 2000. He worked on contract basis for Senekal Allen and Partners from 2004 - 2005. Thereafter he spent 18 months working as quantity surveyor in Dubai. Following his return he once again worked for Davis Langdon and decided to join APT Quantity Surveyors as a member in June 2011 to expand the business.

Samier Booley has worked for a broad range of public and private sector projects in South Africa.

SPECIALISATIONS

His project expertise includes feasibility studies, estimating, contract documentation, cost planning, procurement and cost management of major building projects in South Africa.

His market sector experience is varied and includes retail, offices and public facility projects.

He specialises in estimating with a keen interest in retail & commercial developments.
